

# Learn ArcGIS Pro

with the Geospatial Centroid

Two upcoming workshops!

## Migrating from ArcMap to ArcGIS Pro

Thurs, Apr. 25<sup>th</sup>  
8:30am – 11:30am

Geared toward ArcMap users, get started in ArcGIS Pro, learning the new interface and such tasks as migrating an MXD, editing, geoprocessing, and making a map.

## Creating and Managing Layouts in ArcGIS Pro

Wed, May 1<sup>st</sup>  
1:00pm – 4:00pm

Make the most of ArcGIS Pro's new layout functionality and symbology options, such as multiple layouts, WYSIWYG formatting, and improved behavior of map elements. Some ArcGIS Pro experience is required.
